Families with a child who is deaf or hard of hearing that enroll siblings who have typical hearing will receive a 10% tuition discount on their additional children's tuition.

Reading & Writing Lab

This program is available to elementary students who would benefit from direct instruction with our Reading Specialist. The Reading Specialist uses data from an early reading screener and teacher input to determine which students should be in this program. There is an additional charge of \$200/month for this program but financial aid may be available for families that qualify.

Extended Care Program

Our Extended Care program is able to provide after school care until 5:30 pm each day with several monthly pre-paid plans available.

Referral Program: \$300 cash incentive if you refer a new student to the school (student must first enroll and attend school for at least 30 days).
